Pieces of Life Volume 1

Pieces of Life, Reconstruction, Volume 1 speaks to the many levels of relationships. This book reads like a story and will take you through a journey of someone being in love, marital bliss to a feeling of betrayal and broken heartedness. The back and forth of feelings is one that many can relate too. In order to get your life back in order one will need a period of reconstruction. Each chapter which is called an “act” will take you on a poetically written journey with some illustrations and art work that relates to the piece. Enjoy, learn, cry, meditate and lose yourself for a moment in poetry.

“Easy love that satisfies the soul” ... now, THAT is breathtaking! Artistic, earthy and tender, Serena’s words of poetry take flight with lovely brushstrokes, painting eloquent images that touch the heart. Pieces of Life, even the title is beautifully strong.”
